

Larchmont FOIL Follow Up Questions

After reviewing the response to my first foil request from Brian Riley, the village clerk. I sent him a follow up email. Below you could find my questions and his response.

Initial Request

On 2/25/2025, I have sent Brian Riley village clerk of Larchmont a follow up email. My email request said the following.

Good Morning,

After reviewing the information from yesterday I do have a couple follow up questions.

1. For places in the village that don't receive state aid for funding, do the funds from the general fund have any restrictions towards who can benefit from it? Like do I need to be a resident of Larchmont in order to benefit from the services it funds?
2. Besides from the treasurer, do you have anyone responsible for the internal accounting process? If so, how do they manage the variable expenses, like keeping it the same or decreasing the amount of variable expenses?

Let me know if you have questions or concerns.

Wilfredo Gajda

PS: This is for my own personal knowledge at this time.

Brian Riley Response

Wilfredo,

Maybe you should look at the Pace University Michaelian Institute for Public Policy and Management. Below is a link to the website. Hope that helps.
